This Safeguarding policy is based on guidelines and legislation outlined in the following documents:

- Code of Ethics and Good Practice for Children's Sport, Sport Northern Ireland 2006.
- Children (NI) Order 1995.
- Our Duty to Care NI, DHSSPS 2007.
- Getting It Right, DHSSPS 2004.
- Co-operating to Safeguard Children DHSSPS 2003.
- Protection of Children and Vulnerable Adults (NI) Order Information Notes 1 -3.
- Area Child Protection Committee – Regional Child Protection Policy 2005.
- Safeguarding Vulnerable Groups (NI) Order 2007.

Safeguarding or Child Protection

The term child protection has been changed to safeguarding as it reflects the wider responsibility for health and safety and prevention as well as just protection from abuse. The word safeguarding has been used with increasing frequency over the last few years in a wide range of settings and situations, going well beyond the world of children and child protection. It may be defined as “Doing everything possible to minimise the risk of harm to children and young people.”

Safeguarding is about being proactive and putting measures in place in advance of any contact with children to ensure that children are going to be kept safe. This could include:
Ensuring staff are properly checked when they are recruited;
Guidelines for people who come into contact with children as part of their role to ensure they know what they need to do to keep children safe; and
Guidelines for planning an event or activity with children and putting measures in place to minimise the risk of safeguarding issues occurring.

The Children (Northern Ireland) Order (1995) is based on a clear and consistent set of principles designed with the common aim of promoting the welfare of children.

Children have the right to be safe. All coaches should ensure that this fundamental principle takes precedence over all other considerations.

This policy applies to all those involved in Fivemiletown United Football Club, coaches, administrators, officials, volunteer drivers, parents and young people.

EQUALITY STATEMENT

This club is committed to ensuring that equity is incorporated across all aspects of its development. In doing so it acknowledges and adopts the following Sport Northern Ireland definition of sports equity:

“Sports equity is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. It is about changing the culture and structure of sport to ensure it becomes equally accessible to everyone in society.”

The club respects the rights, dignity and worth of every person and will treat everyone equally within the context of their sport, regardless of age, ability, gender, race, ethnicity, religious belief, sexuality or social/economic status.

The club is committed to everyone having the right to enjoy their sport in an environment free from threat of intimidation, harassment and abuse.

All club members have a responsibility to oppose discriminatory behaviour and promote equality of opportunity.

The club will deal with any incidence of discriminatory behaviour seriously, according to club disciplinary procedures.

To address the vulnerability of children with a disability coaches will seek guidance on working with children with a disability from external agencies, parents/guardians and the children themselves.

CONFIDENTIALITY STATEMENT

We at Fivemiletown United Football Club will never promise to keep secrets. However, information of a confidential nature will only be communicated on a "need to know" basis, with the welfare of the child paramount.

Considerations of confidentiality will not be allowed to override the rights of children or young members to be protected from harm.

A full Safeguarding policy statement is displayed and available within club premises for all interested parties to read.

AWARENESS OF THE ISSUES

Background knowledge in relation to child abuse, the general principles of Safeguarding and the ability to recognise and respond to abuse are important issues. Of primary concern for Fivemiletown United Football Club is the issue of Safeguarding of our young members within the operation of the club. However, being cognisant of the indicators of abuse in respect of young members caused by others outside the club, are of an equal importance for the safety and well being of that child.

Co-operating to Safeguard Children 2003 formally recognises four types of abuse:

1. Physical Abuse

Physical abuse is the deliberate physical injury to a child, or the willful or neglectful failure to prevent physical injury or suffering. This may include hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, confinement to a room or cot, or inappropriately giving drugs to control behaviour.

2. Emotional Abuse

Emotional abuse is the persistent emotional ill treatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may involve causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of ill treatment of a child, though it may occur alone. Domestic violence, adult mental health problems and parental substance misuse may expose children to emotional abuse.

3. Sexual Abuse

Sexual abuse involves forcing or enticing a child to take part in sexual activities, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative or non-penetrative acts. They may include non-contact activities, such as involving children in looking at or the production of pornographic material or watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

4. Neglect

Neglect is the persistent failure to meet a child's physical, emotional and/or psychological needs, likely to result in significant harm. It may involve a parent or carer failing to provide adequate foods, shelter and clothing, failing to protect a child from physical harm or danger, failing to ensure access to appropriate medical care or treatment, lack of stimulation or lack of supervision. It may also include non-organic failure to thrive (faltering growth).

In addition to these Fivemiletown United Football Club recognises that we have a responsibility to:

Fivemiletown United McDonalds Skills Development Centre

“Protect children from bullying and to have policies and procedures in places to do so”

Co-operating to Safeguard Children DHSSPS, 2003

Coaches should challenge bullying in any form i.e. physical or emotional. Physical bullying can take the form of attacks, such as hitting, kicking, taking or damaging belongings. Emotional bullying may be a verbal assault, including name-calling, insults, repeat teasing, sectarian/racist assaults, or it may take more indirect forms, such as spreading malicious gossip, rumours or excluding someone from a social group. Bullying is not an accepted behaviour towards anyone at Fivemiletown United Football Club be they child, coach, volunteer or parent. Anyone found to be bullying others will be dealt with seriously both in regards to the behaviour exhibited and the reasons for the behaviour. This club has an anti-bullying policy in place.

INDICATORS OF ABUSE

The following is a list of some indicators of abuse, but it is not exhaustive:

PHYSICAL INDICATORS	BEHAVIOURAL INDICATORS
Unexplained bruising in soft tissue areas Repeated injuries Black eyes Injuries to the mouth Torn or bloodstained clothing Burns or scalds Bites Fractures Marks from implements Inconsistent stories/excuses relating to injuries	Unexplained changes in behaviour - becoming withdrawn or aggressive Difficulty in making friends Distrustful of adults or excessive attachment to adults Sudden drop in performance Changes in attendance pattern Inappropriate sexual awareness, behaviour or language Reluctance to remove clothing

DESIGNATED PERSON

The Designated person within Fivemiletown United Football Club is:

NAME: Davy McQuigg & Una Dunlop CONTACT DETAILS: 07977476224 & 07900492847

NAMED PERSON shall be made known to young members, coaches and parents alike; as the designated person to whom concerns will be addressed. If the concern is about the designated person please report to Club Chairperson.

SAFE RECRUITMENT PROCEDURES FOR VOLUNTEERS/COACHES

Volunteers and coaches are carefully selected, trained and supervised. The office bearers of the club committee must vouch for new volunteers/coaches potential involvement and their participation must be ratified by the unanimous approval of executive group/remaining coaches. All new coaches/volunteers working with children or young people must complete the sports own application form which includes a self declaration section.

Individuals must complete and sign the Access NI Disclosure Certificate Application Form which gives permission to enable Irish Football Association to administer an Access NI check (proof of identity MUST be provided). Contact your governing body for further information.

Declaration of past convictions or cases pending and agreement to have an Access NI check completed, is of course a pre-requisite to approval to coach/volunteer to work with young people. ALL volunteers/coaches must agree to abide by the club's Safeguarding Policy and all are required to sign the Code of Conduct.

Any concerns or objections with regard to suitability of a coach should be submitted to the Governing Body designated person. These matters will be raised with the Governing Body case management committee with appropriate action taken including a formal response in writing to the concerned party if required. Clubs should not deal with concerns about a coach in isolation.

TRAINING FOR VOLUNTEERS/COACHES

This club will:

- Ensure governing body approved coaching sessions for volunteers/coaches have been scheduled at the club and ALL participants are expected to qualify to at least Grassroots Introduction level.
- When appointing volunteers/coaches consider their current or previous experience either playing or coaching football.
- Education and training in the basics of Safeguarding will apply to all coaches/volunteers/management committee members working with the children or young members. Fivemiletown United Football Club is committed to continuous updating and review of our current Safeguarding Policy.

Safeguarding training should include:

- Basic awareness of Safeguarding issues
- Our club/organisation's Safeguarding policies and procedures including our Code of Conduct
- Safeguarding training will be carefully selected to ensure it is sufficient. For instance a one hour training session is unlikely to be very useful. A minimum of three hours is required for basic awareness raising, and we will seek that training from a specific training provider with experience and knowledge of good practice in sport.
- Ensure that all new coaches have attended Safeguarding awareness workshop within six months of taking up their post. This opportunity should also be made available to parents and other volunteers to enable a culture of a child-focused club to prevail.
- Ensure all staff and volunteers should receive induction, and training appropriate to their role. Training should be updated and reviewed regularly for new staff/volunteers and in line with changing legislation.

CODES OF CONDUCT

A Code of Conduct lets all our staff/volunteers in our club/organisation know what behaviour is expected and what is unacceptable. It will also let all involved know what sanctions will be applied for non-compliance with the Code. A written Code of Conduct will be prominently displayed or communicated to everyone associated with your club/organisation. It will be applied consistently. This club has a Code of Conduct for coaches/volunteers and young people and a code of expectations for parents/guardians.

GUIDELINES RELATING TO AWAY DAYS AND RESIDENTIALS

involving overnight stays. But Fivemiletown United Football Club is committed to ensuring that we follow certain standards to ensure the safety of our members.

SUPPORT and SUPERVISION

Fivemiletown United Football Club recognises that it is good practice to set up a system of support and supervision of staff/volunteers. This will enable staff/volunteers to become more effective by identifying training needs and dealing quickly with difficulties. Volunteers will be offered regular opportunities to review their experiences at Fivemiletown United Football Club and to identify any training or further support they require.

IMPLEMENTATION AND AVAILABILITY OF INFORMATION

It is important that there is a free flow of information between coaches/volunteers, children and parents, in terms of promotion of the club and what we aim to achieve in relation to your child. This club will insist that a parent/guardian consent form is completed for each under 18 year old member

Parents should know what we do and how we do it, and the coaches/designated person will always be on hand during, or after coaching sessions, for consultation or advice.

When appropriate, letters (or telephone contact) will be issued in relation to further information or specifics in respect of an event etc.

A regular review of club policies will take place through meetings with coaches/volunteers and feedback from children and parents. As a Club we have developed a plan for implementing our safeguarding procedures.

INTERNAL CONCERNS FLOW CHART

Fivemiletown United McDonalds Skills Development Centre

Fivemiletown United McDonalds Skills Development Centre

If you do not know who to turn to for advice or are worried about sharing your concerns with a senior colleague, you should contact the Health and Social Care Trust (HSCT) Gateway Team direct (or the NSPCC on 0808 800 5000). At any stage during the process outlined on the previous page in the left hand column the issue can be referred externally either formally or informally for advice. Following the external (right column) outcome the matter may be referred back to the organisation's Disciplinary Committee.

DEALING WITH CONCERNS ABOUT A COLLEAGUE

The vast majorities of people who work with children are well motivated and would never harm a child. Unfortunately a few do and it is essential that the organisation creates a culture that makes staff/volunteers willing and comfortable to voice their concerns, particularly those about someone with whom they work or whom they know. Again, the organisation's Safeguarding procedures should be followed.

During an investigation, support should be given both to the individual who voices concerns and to the suspected abuser. Once the investigation is completed, the organisation must decide what action, if any, is necessary to prevent a similar situation arising again.
